Subject: EPA-R8-2021-001566 WY 2019 Water Data needs manager review.

Hi,

I hope is going well with you. This FOIA is ready for your manger's review. Please have your review done by noon January 11, 2021 via return email to me and the cc group. Attached you will find the excel file being released with no redactions. Shirley Mlachak completed the task assigned to her.

Requester: Ms. Jennifer Crider of Waterborne Environmental
Request: 2019 SDWA data for atrazine, simazine, metolachlor from WYOMING and REGION 8 TRIBAL active and inactive community water systems; detections and non-detections.

After you CONCUR with results, I will send the closeout letter to Darcy O'Connor or her acting.

Sincerely,

Dayle Aldinger
